

# Victor David Aremu

## Software Engineer

I'm a professional task solving Software Engineer from Nigeria. I deliver quality and amazing solutions, with high and proficient skills required. I'm well versed in team collaboration to formulate and conceptualize corporate web presence. Specialty embracing challenging projects requiring detailed coding changes, search engine-related considerations and security. Integrates knowledge of visual arts to develop functional, appealing, custom-made web products and services. Building and Designing Software Applications with great user experience is also my expertise.
